CONTRIBUTIONS

The total amount of contributions parents and carers are being asked to pay is $60. A maximum of $60 is mandated by School Education Act 1999, School Education Regulations 2000 and Department of Education policies.

Financial support provided by parents has always played an important role in the provision of resources that enable the school to add value to your child’s learning experiences. Parent contributions allow the school to provide items such as class sets of text books, dictionaries, atlases, library books, reading book sets etc. Ballajura Primary School continues to achieve outstanding results in national testing. The continuation of our successful teaching and learning programs necessitates each family making a contribution towards the cost of our school’s educational program. It is expected that those who can afford to will make the contribution.

Contributions can be paid as part of the Personal Items list direct to Campion WA or direct to the school. Full payment made by the end of Term 1 entitles you to go into a draw for a Uniform Shop or Canteen voucher to the value of $100. Parents experiencing financial hardship can contact Stephanie Young, MCS to confidentially discuss payment options.
